🚀 ReviewBot for Agencies

The Slack-Native Video Review Platform

Stop the "Feedback Chaos"

😫 The Problem: "Feedback Chaos"

1. **Upload** to Dropbox/Frame.io
2. **Email link** to client
3. Client forgets password
4. Feedback in email/spreadsheets
5. **Manual copy-paste** to Slack

❌ **Result: Slow turnaround & lost feedback**

✅ The Solution: ReviewBot

Keep your entire workflow inside Slack.

- **Upload to Slack** directly
- **Instant Review Link** (No logins!)
- **Timestamped Comments** syncing to Slack
- **One Channel** for everything

> "Stop jumping between tabs. Keep the conversation where your team works."
